## VOICE OF TPC

2023 JUNE - 2023 NOVEMBER

Thiagarajar Polytechnic College Alagappanagar

### VISION

To produce competent professionals by imparting high quality education and training in Engineering and Technology to meet the industrial requirements in global standard and according to societal demands.

### MISSION

- To provide quality education through state-of-the-art infrastructure and competent teaching faculty
- To produce technically competent professionals with moral and ethical values.
- To participate in the development in accordance with societal demands through entrepreneurship, industry interaction and excellent communication.

### CHAIRMAN'S MESSAGE

It is my great pleasure to publish the first ever newsletter Voice of TPC from the side of the college and hope that this newsletter will become a milestone in the history of Thiagarajar.

### PRINCIPAL'S DESK

The word 'success' is very familiar to us. Surely, success is hiding everywhere, but it is only exposed when all must-have features are aligned with the applications. Many such stories can be shown as evidence of achieving success in the rich soil of Thiagarajar and imparting technical services to global society. Since the inception of college, we have had the motto that work is worship. On this beautiful campus, we aim to shape our students to grow up with the required confidence for their integrated development, which will lead to success in this competitive world. With the continual action for improvement, this college can make many success stories.

### INAUGURATION OF TRANSPORTATION ENGINEERING LAB

A new Transportation Engineering Lab with equipment for testing the quality of road construction materials has been inaugurated in the Department of Civil Engineering at Thiagarajar Polytechnic College. Archdiocesan Vicar General Msgr. Jose Vallooran inaugurated the event

## SECRETARY CUM TREASURER (TDCDS)

No development can be made without continuous action. Under the leadership of the Archdiocese of Thrissur. Thrichur Diocesan Community Development Society (TDCDS) is always keeping pace with emerging trends in technical education. This management society spent a lot of effort on infrastructure development, including modern workshops and labs, for the fulfillment of the revised syllabus. We are in the middle of the NBA accreditation process. So we have the great pleasure of receiving support for our mission from society in order to attain our vision.
